

The 20th International Conference on Solid-State Sensors, Actuators and Microsystems

Conference Chair
Christofer Hierold, *ETH Zürich, SWITZERLAND*

Technical Program Chair
Jürgen Brugger, *EPFL, SWITZERLAND*

Europe/Africa Program Chair
Eric Yeatman, *Imperial College London, UK*

Asia/Oceania Program Chair
Man Wong, *HKUST, HONG KONG, PRC*

Americas Program Chair
Karl Böhringer, *University of Washington, USA*

CALL FOR PAPERS!

Abstract Submission Deadline:
4 December 2018

Conference Topics

- Mechanical/Physical Sensors and Microsystems
- Materials, Fabrication, and Packaging Technologies
- Nanoscale Devices and Nanomaterials
- Transducers with Soft, Flexible or Composite materials
- Chemical and Environmental Sensors and Microsystems
- Bio-Sensors and Bio-Microsystems
- Medical Microsystems
- Microfluidics
- Energy and Power MEMS
- Acoustic Microdevices and RF MEMS
- Integrated Photonics and Optical MEMS
